CULTURE & ENVIRONMENT

PEOPLE | PLACE | PURPOSE

Participants are invited to step back from the pace of modern life and reconnect with foundations that have guided human cultures for generations:

People | Strengthening our sense of belonging through meaningful relationships and shared community

Place | Deepening our connection to land, environment and natural systems

Purpose | Clarifying our values and direction in life to cultivate a life of intention and meaning

This workshop shares cultural perspectives and knowledge supported by contemporary research that will give a grounded and insightful understanding of First Nations.

KEY ORGANISATION OUTCOMES

- Improved Employee Engagement
- Stronger Team Cohesion & Communication
- Enhanced Cultural Awareness & Respect
- Greater Environmental Awareness & Responsibility
- Reflective & Thoughtful Decision-Making

Organisations increasingly recognise
collaboration, cultural & environmental
awareness are interconnected

KEY PARTICIPANT OUTCOMES

- Increased Cultural & Environmental Awareness
- Understanding Cultural tools that Connect People, Place & Purpose
- Practical ways to Strengthen Connections between People, Place & Purpose

The **jagun** has a language for those who listen...

This workshop creates space for participants to think deeply about how connection influences wellbeing, relationships and the environments we live within.

By strengthening these core human connections, organisations support healthier individuals, more cohesive teams and more responsible relationships with the environments and communities they operate within.
